# with **FEDERAL CROP INSURANCE!**

**YOU HAVE BEEN ASKING  
FOR IT . . . AND HERE  
IT IS!**

An up-to-date cotton crop insurance plan reflecting both experience and operating changes urged by cotton producers.

five

added features...

**MORE PROTECTION**

All cotton counties have been reworked to provide increased coverage where possible.

all now!

## BETTER PROTECTION

Higher indemnities will now be paid on early and total losses through changes in stages of coverage.

2.

## PREMIUM SELECTION

Under the co-insurance plan you may elect to pay less than the premium required for full protection.

3.

## IMPROVED UNITS

Land worked by a sharecropper will now be a separate unit for loss adjustment for the operator as well as the sharecropper.

4.

## LESS COST

You get 5 percent discount for early premium payment and your premium reductions for good experience now start after 3 years at 5 percent and increase 5 percent each year up to 25 percent maximum.

5.

# It's up to you..

Your cotton crop can fail any year.

Only an FCIC policy covers all risks.

Better protection is now available.

Insurance only pays policy-holders.

Those who wait . . . may be too late.
